About Clare Sheridan ... your Green Party candidate for the Stonehouse ward

Having settled into Stonehouse with my husband about 15 years ago, I feel happy and involved in our community.

I am Chair of Trustees for the Stonehouse Neighbourhood Project and an active member of the Fairshares scheme of reciprocal volunteers. With Fairshares members, I helped plant daffodils around Stonehouse, which are now flowering.

My local part-time job sees me gardening for elderly and disabled residents of Stonehouse through 'Care and Repair'. I also volunteer for Winston's Wish camps for children that have been bereaved.

My background has been within the NHS and Child and Adolescent Mental Health services. This has led me to become a play therapist and I work for several charities, one for families experiencing bereavement and life-threatening illness, and another for adoptive and foster families.

We try to live as much of a 'green' lifestyle as possible, not only for our five grandchildren, but for all future children. This means tending our organic allotment and garden, composting, recycling and protecting wildlife. It also means buying local and Fairtrade produce and walking and cycling whenever possible.

We have been fortunate enough to make our home an example of how an ordinary house can be energy efficient. We generate our own solar electricity and use solar power to heat our water. We look forward to you visiting us.

District Council Election Communication from the Green Party

FOR REAL PROGRESS: vote CLARE SHERIDAN

Vote for Clare Sheridan

in the Stonehouse ward

Thursday MAY 3rd.

Dear Voter,

If you elect me as your Green Councillor I will:

- ✓ Listen to all residents and see that issues of concern are dealt with as soon as possible.
- ✓ Work for the services of the Neighbourhood Project to continue to be available to the community.
- ✓ Work to reduce traffic speed, making our streets safer for pedestrians, users of motability scooters, babies in prams, cyclists and car drivers alike.
- ✓ Encourage communication between the generations in Stonehouse, reducing misunderstandings and enabling joint projects.
- ✓ Work to help local people reduce, re-use and recycle, thus cutting landfill charges.
- ✓ Strive to follow the Town Plan and the environment green paper, safeguarding open spaces for posterity.
- ✓ Ensure that the residents and businesses of Stonehouse benefit from the canal restoration.
- ✓ Work for Stonehouse to become a Fairtrade town and to encourage local shopping and produce.

As well as standing for the Stonehouse ward of Stroud District Council, I am also standing for Stonehouse Town Council.

I hope you feel you can vote for me. I believe that Stonehouse residents deserve a wide spectrum of people to represent them. (Currently all your councillors come from one political party.)
