## About Piers Clifford ...your Green Party candidate for Nailsworth and Horsley Ward

I have lived in Horsley for ten years. I am married with three children in local authority education. I am a tree surgeon, a counsellor and a foster carer. I work locally with young people and the environment, and I love it!

People need a happy, healthy environment and the environment needs happy, healthy people – we can't have one without the other. That is what Green means.

I am a Green and proud of it. To me, it means that I care. I care about how much we recycle. I care about empty buildings not being used for the people they were built for. I care about inadequate and expensive public transport services. I care about how much energy is wasted through poor planning and management. I care about animal welfare and supporting wildlife initiatives. I care about trees and having good access to the countryside.

I ask you to vote Green for REAL change. We've had Labour and Tory for too long in a head to head, and now we can't tell one from the other. I know the District Council is not Westminster, but every vote for Green is a vote for REAL change, a brave new way that puts people and our future on the planet first.

# FOR REAL PROGRESS: VOTE PIERS CLIFFORD

## Vote for Piers Clifford in the Nailsworth and Horsley Ward Thursday MAY 4th.

Dear Voter,

You vote for me, so I can vote for you.

I believe in people. I believe that people matter more than anything – people past, present and most importantly, future.

I believe in listening to people, and as your councillor I am going to listen to what the people of Nailsworth and Horsley want me to do and then try to do it, or help do it – nothing more and nothing less.

Some of the issues I hope to support Nailsworth and Horsley on are:

- ✓ Developing the Community and Social Centre in Forest Green and the town centre's Boys Club
- ✓ Helping Horsley with the new pavilion development and the exciting changes planned for its beautiful church
- ✓ Supporting small businesses and the retail sector in keeping Nailsworth's shopping heart locally owned and managed
- ✓ Supporting the Town Council in planning applications and making sure local wishes are represented on the District Council
- ✓ Supporting low-cost housing initiatives to keep housing affordable for local people
- ✓ Maintaining free car parking and supporting improved bus services
- ✓ Maintaining public access to green and common areas around the town.

The Green Party has always done well in this ward. In the last two local elections, we have come second to the Conservatives by a handful of votes.

Every vote counts – don't waste yours.

– I look forward to hearing from you.

"It is not healthy for Nailsworth to have all of its councillors from just one party (the Conservatives). We need diversity. I know that Piers would fulfil the role very well."  
– John Nicholson, town councillor and ex-Mayor of Nailsworth.
