## About Clare Sheridan ...your Green Party candidate for the Stonehouse Ward

Having settled into Stonehouse with my husband about 13 years ago, I feel happy and involved in our community.

I am an active trustee for the Stonehouse Neighbourhood Project and a member of Stonehouse Fairshares scheme of reciprocal volunteers.

My local part-time job sees me gardening for elderly and disabled residents of Stonehouse, through 'Care and Repair'.

My background has been within the NHS and Child and Adolescent mental health services. This has led me to become a play therapist and work for several charities, one for families experiencing bereavement and life-threatening illnesses; another for adoptive and foster families.

We try and live as much of a 'green' lifestyle as possible, not only for our own grandchildren, but for all future children. This means tending our own organic garden, composting, recycling and protecting wildlife. It also means buying local and Fairtrade produce and walking and cycling whenever possible.

We have been fortunate enough to make our home an example of how an ordinary house can be energy efficient. We generate our own solar electricity and use solar power to heat our water. Visitors are welcome.

### YOUR PLANET NEEDS YOU!

- (Tick if you would like to get more involved)
- I could deliver leaflets, display a poster, or help in some other way.
- I would like to make a donation – to create real progress.
- I would like to talk to someone to learn more about the Green Party.
- I have a suggestion:

# FOR REAL PROGRESS: VOTE CLARE SHERIDAN

## Vote for Clare Sheridan

in the Stonehouse Ward

Thursday MAY 4th.

Dear Voter,

If you elect me as your Green Councillor. I will:

- ✓ Listen to all residents and see that issues that concern them are dealt with as quickly as possible
- ✓ Consult with the Town Council to ensure that Stonehouse has its fair share of District Council funds to fulfil local projects
- ✓ Work to reduce traffic speed, thus making our streets safer and more pleasant
- ✓ Work to reduce waste by recycling, thus cutting landfill charges
- ✓ Seek to safeguard our remaining open spaces for posterity
- ✓ Work with other groups to make Stonehouse a more vibrant community and ensure that the needs of all the community are addressed
- ✓ See that Stonehouse becomes a 'Fairtrade Town'
- ✓ Like many others in this community, I will do my utmost to see that Standish Hospital is kept as a local facility.

I hope you feel you can vote for me. I believe that Stonehouse residents need a wide spectrum of people to represent them. (Currently all your councillors come from one political party.)
