

David Wood

About David Wood ...your Green Party candidate for Chalford Ward

I moved with my family back to Chalford Hill five years ago, to again make this beautiful area my home. Previously I lived in Stroud for ten years. I work as a freelance computing consultant – and have recently been managing the testing of new developments in eCommerce systems for use over the Internet by independent financial advisors.

I am currently a parish councillor in Chalford Hill and I am standing for the District Council because I believe local people need to have more say in the future of their own area. I value our local democracy and am committed to using it to make our communities better.

I love to garden on our allotment and walk with our hound through woodlands, fields and along the canal in the Chalford Valley.

The canal restoration project offers us other opportunities such as a safe cycle route to Stroud, but also presents risks. We need to preserve our precious green fields and woods, while ensuring continuing opportunities for local jobs where they currently exist near the canal.

It is vital to preserve the remaining green space between the villages to ensure that they do not merge into each other, but keep their separate identities and character.

I ask you to vote Green for Real Change. We've had Labour and Conservative for too long in a head to head and we can't tell one from the other. Every green vote is a vote for Real Change, a brave new way which puts people and our future on the planet first.

If you would like to help my election campaign directly in a practical way, please ring me on 01453 887805. Thank you.

YOUR PLANET NEEDS YOU!

- (Tick if you would like to get more involved)
- I could deliver leaflets, display a poster, or help in some other way.
- I would like to make a donation – to create real progress.
- I would like to talk to someone to learn more about the Green Party.
- I have a suggestion:

District Council Election Communication from the Green Party

FOR REAL PROGRESS: VOTE David Wood

Vote for David Wood

in the Chalford Ward

Thursday MAY 4th.

Dear Voter,

We all have the right to have our say and make a difference to the community in which we live. Whether we are young or old, employed or unemployed, wealthy or financially struggling, we live on the same planet, breathe the same air. The global environmental crisis facing the earth requires all of us to make positive changes for a better future.

As your Green candidate for Chalford, I would act to support your ideas on how best to preserve Chalford as a safe and beautiful place in which to live. I wish to actively encourage and listen to your suggestions. I will:

- ✓ Encourage the continuation of the services provided by our local shops and post offices
- ✓ Promote the Green party policy of 20mph speed limits in all villages, starting with roads where our schoolchildren are most at risk from traffic
- ✓ Campaign for accident black spots to be tackled, especially the Old Neighbourhood Rd junction and St Mary's corner on the A419
- ✓ Oppose a badger cull in Gloucestershire and campaign for improvements to farm animal welfare
- ✓ Check that planning decisions affecting the future of land beside the canal maintain an appropriate balance between countryside, housing and workplaces.

If you have voted Green before, please do so again on 4th May. If not, then please consider voting Green this time and contributing to a sustainable future for our Chalford communities in the Stroud District.

David Wood – I look forward to hearing from you.

David Wood, Garden Cottage, Commercial Rd, Chalford Hill, Stroud. 887805 / di_wood@tiscali.co.uk
